#### Card Recipe

- Card Base – Basic White Cardstock 8½ x 5½ scored 4¼
- Front Base Layer – Hues of Happiness DSP 4 ¼ x 5 3/8
- Front Top Layer - White Cardstock 3 1/8 x 4½
- Inside base layer – Gorgeous Grape 4 x 5¼
- Inside top layer - Basic White 3¾ x 5

#### Supplies

- Happiness Abounds Stamp Set and Blossoming Happiness Dies Bundle # 158824
- Hues of Happiness Designer Series Paper (DSP) # 158822
- Fern Embossing Folder #158804
- Inks – Memento Tuxedo Black # 132708
- Twine – Baker's essentials pack – black # 155475
- Glossy Dots Assortment adhesive backed # 158827

## Directions

1. Adhere DPS to the Basic White Cardstock front.
2. Front top layer – Using the short thin die on the left-hand side of the Cardstock to cut the small round holes. Stamp sentiment about an inch or so up from the bottom and centered. Next emboss Basic White Cardstock with the Fern Embossing folder.
3. Using flower blossoms that are cut from the DSP with the Blossoming Happiness dies, adhere to the Basic White Cardstock with dimensionals. Repeat with the greenery. Add a black twine bow. Finish the card front with bling using the Glossy dots.
4. Adhere Gorgeous Grape Cardstock to the inside. Stamp a sentiment on the Basic White Cardstock, adhere to the Gorgeous Grape and finish the inside by adhering a flower blossom.

This card has that wow factor but no one needs to know how easy it is to make.

I hope you enjoyed today's card.

Happy Stamping!
