- Wink of Stella # 141897

## Directions

1. Fold your Thick Basic White Cardstock Base in half at 4 ¼.

2. On the Basic White layer take the splotched stamp and Daffodil Delight ink. Ink the stamp, stamp off then stamp about 1 inch from the top and 2 inches from the righthand side. Repeat this several times and then do the same with Old Olive ink continuing to the bottom of the card front.
3. Take the Coneflower stamp and Early Espresso ink, stamp the image on top of the colors you have already done. Set aside to dry.
4. Stamp your sentiment on the scrap Basic White Cardstock with Early Espresso Ink. Die cut the sentiment using the small sentiment die from the Harvest die set.
5. On the inside card basic white layer use the splotched stamp with Daffodil Delight Ink, stamp off and only stamp the card 1 time with the ink. Next using Early Espresso Ink stamp the first Coneflower onto the card.
6. 2<sup>nd</sup> Layer – Once the ink is dry using the Timeworn Type Embossing Folder, emboss the card front. Next add Black & White Gingham ribbon ½ from the bottom going across the card front and adhere it to the back side. Glue the card front to the Old Olive Layer with adhesive of choice and the use dimensionals to attach to the card base.
7. To finish the front of the card, take the sentiment - add dimensionals and place it on the card. Add a bow to the ribbon and then splatter some Wink of Stella.
8. Inside card - Take Basic White Cardstock and the Old Olive layer and adhere them together. Finish by adhering them to the inside of the card. You can add a sentiment to the inside if you want one.
